Features & Options

This Mustang GT/CS is one of approximately 4118 GT/CS made for California Ford Sales Districts. It was developed as a sales promotion for the California market and was advertised by the Ford Dealers Association. Based on the 1965 Shelby coupe named "little Red" the GT/CS package was set in motion by Lee Iaccoca from an idea presented to him by the LA District Sales Manager. This Particular Mustang GT/CS is 1 of 2705 with a 289-2V engine option, 1 of 2320 with Automatic Transmission, 1 of 188 Factory Paint Meadowlark Yellow, 1 of 11 equipped with Nugget Gold Standard Bucket Seats, 1 of 6 equipped with Air-Conditioning, 1 of 2 equipped with Power Disk Brakes. Making this 1968 Meadowlark Yellow California Special a very rare Mustang.
